

## Here Are Just A Few Other Companies We've Helped:

### We sleep Well Knowing Computronix Has Us Covered

*"For over 15 years Computronix full suite of services has provided us with the necessary expertise and predictable I.T. Costs that has saved us money while maintaining industry compliance. We sleep well knowing Computronix is monitoring, managing and securing our computer systems 24/7!"*

- Kevin Katske - Partner, Diserio Martin Law Firm

### Invaluable Service To Our Organization

*"Computronix has been a valued IT provider for the Chamber for many years. Their support is invaluable in making our operations run smoothly."*

- Heather Cavanagh - CEO, Stamford Chamber of Commerce

### Customer for Decades

*"We have been Computronix Customers for decades. They have great customer service, knowledge of I.T. and pricing."*

- Rob Morris - Chairman And CEO, Olympus Partners (8 billion Dollars Under Management)

### Super Helpful, Professional, And Personable!

*"The staff is super helpful! They are professional yet very personable. They are quick to respond to any issues. They are reasonably priced. The Fairfield County Bar Association has been employing them for over 9 years without an issue. Great service & great people! I highly recommend you give them a try for your IT needs."*

- Jeanne Urso - Executive Director, Fairfield County Bar Association
